**“I didn't stay very long, but it was a good stay, I felt safe, and it gave me time to clear my head, and just a reminder that there is people out there that care...” – October 18, 2019**

**“(....) if it wasn't for the shelter and the staff I wouldn't know where I would be today because I felt broken inside like I felt shattered like glass but now I feel pretty good about my choices and looking forward to coming up with a beautiful home and a beautiful future.” –October 2, 2019**

**“I am very blessed to have been able to get help from the transition house. If it weren't for this place I wouldn't of had a warm bed to sleep in, a place to shower and eat and also a place for me to just hang out and feel safe. I am grateful I was able to get into the shelter when I did now I have a home to go to thanks to you guys!” –January 10, 2020**
